

BRUSH VENT

RIGID UNDER-RIDGE WITH SIDE BRUSHES

FAST INSTALLATION

Thanks to its soft bristles, it adapts easily to the profile of the cover without the need for shaping.

PROTECTION

The bristles provide effective protection against the intrusion of water and foreign elements.

TECHNICAL DATA

Properties	value	USC conversion
Material	PVC	-
Screen length	60 mm	2.36 in
Air passage	≥ 200 cm ² /m	≥ 9.45 in ² /ft
UV resistance	permanent	-
Temperature resistance	-20 / +80 °C	-4 / +176 °F

Waste classification (2014/955/EU): 17 02 03.
